Personnel Training Program:

Bekum offers a 4-day (Monday – Thursday) training program conducted in Williamston, Michigan covering the above mentioned items. The training may be modified to suit special requirements. The charge is \$850.00 per student, plus living and travel expenses. We provide lunch each day.

Classes are held in our state of the art blow molding center. Special group rates are available for companies sending six to a maximum of ten students. Contact the Service department for more information at 517-655-7107 or email us service@bekumamerica.com
